

GED Testing Center Signage Recommendations

A-Frame plastic signs

- Sign dimensions = 24" x 36"
- Sign panels attach with velcro for maximum flexibility
- Lightweight (20 lbs.); easy for one person to move and set up
- Frame can be weighted with sand or water for extra stability
- COST (50 frames with signs) = \$8,240 (\$164.80/unit)

Windmaster hinged frame signs

- Sign dimensions = 28" x 44"
- Sign panels slide in frame
- Heavier (31 lbs.) than A-Frame signs; could be difficult and awkward for one person to move and set up
- COST (50 frames with signs) = \$11,900 (\$238.00/unit)
